fascism after Woolwich at [www.uaf.org.uk](http://www.uaf.org.uk)

The BNP has called a national demonstration in Woolwich this Saturday, 1 June.

Fascists and racists are trying to gain after the terrible murder of Lee Rigby.

We call on everyone to join with Unite Against Fascism, local trade unionists, faith groups and community groups for a show of unity against the BNP and its Islamophobic poison.

We will not let them divide us.
