

# CELEBRATE WITH CAMDEN UNISON!

Earlier this year our **traffic warden members took 33 days strike action and won a brilliant pay rise.** They were supported by our branch and other individuals/branches, and we want to thank you.

And after decades of activity in Camden UNISON, **Barry Walden, John Mann and Mandy Berger** are leaving so join us in thanking them for building a campaigning UNISON branch that stands up for our members!

We have DJs, food and of course a few speeches.

**Friday 8<sup>th</sup> November 2019**  
**6pm-late**  
**The Chapel Bar**  
**29 Penton Street N1 9PX**

**Then and now - 30 years apart, Camden UNISON members on strike fighting for their rights!**
